HIGH PERFORMANCE OXYGEN ANALYZERS

- Percent and Trace Oxygen Analyzers
- Portable & Permanent Mount Configurations
- Area classification from General Purpose to Class I, Div I

- Analog & Digital Pressure Gauges
- Pressure & Temperature Switches
- Thermometers

- SCR Power Controllers

- Solid State Relays
- I/O Modules

- Split Sheath Cartridge Heater

- Pressure Transmitters
- Flow meters
- Calibration & Test Equipment
- Hand Pumps

Druck

- Flow, Pressure, & Temperature Instrumentation

- Measurement Tools
- Thermal Cameras

Your Productivity Connection

- Compressed Gas
- Manufacturing
- Process
- Processing with Refrigerant
- Medical Device Testing

- Melt Pressure Transducer
- Pressure Transducers
- Linear Position Transducers

FLUKE.

- Laboratory Temperature Calibration Equipment
- Ruska Pressurements
- Laboratory Pressure Standards

- Temperature Transmitters

FLUKE.

- Infrared Thermometers
- Line Scanners
- Thermal Imaging

- Thermocouples, RTDs, Thermowells & Accessories
- Bemometers
- Smart / Hart® Temperature & Pressure Transmitters
- Wireless Transmitters

- Mica Band Heaters
- Cartridge Heaters

ISO 9001:2000

- Electro-Pneumatic Transducers
- Regulators

- Process Calibrators
- Field & Bench-top units
- All Process Signals including Pressure

- Paperless Chart Recorders & Vibration Analysis
- Tachometers, Stroboscopes

A Division of **Chromalox**

- Immersion Heaters, Ceramic Band Heaters
- Quartz Elements, Strip & Radiant Heaters
- Electric Heat Trace and Controls

- Circle Chart Recorder
- Multi-Loop Temperature Control & PLC Interface
- Temperature & Process Controllers
- Communicating Temperature and Process Control
- Multi-loop Capabilities

- Process Calibrators
- Field & Bench-top units
- All Process Signals including Pressure

- Panel Meters
- Flow Controllers

- IR Handhelds
- Thermal Imagers
- Infrared Thermometers, Online & Portable
- Infrared Line Scanners
- Handheld meters

- Panel Meters, Indicators, Counters

Authorized Reseller

- Pressure, Temperature, Level, Flow and Safety
- Measurement Instrumentation

- Humidity Temperature Indicators & Probes
- Humidity Temperature Transmitters

- Solutions for Flow, Level and Pressure

- Custom Manufacturer of Electric Infrared Heaters

- Dry Block Calibrators
- Liquid & Fluidized Calibration Baths
- Temperature System

- High Temperature Insulation Blankets
- Passive Fire Protection Systems
